CHOOSE YOUR CATAMARAN

OUR CATAMARANS

We offer only the finest luxury catamarans for our skippered charters. Choose from the best modern catamarans by the world's leading manufacturers including Lagoon, Fountaine Pajot, Bali and Dufour.

THINGS TO CONSIDER

Most catamarans have:

- 4 double cabins (up to 8 guests)
- 1-2 crew cabins
- 4 WC/Shower rooms

Most 47ft+ catamarans have:

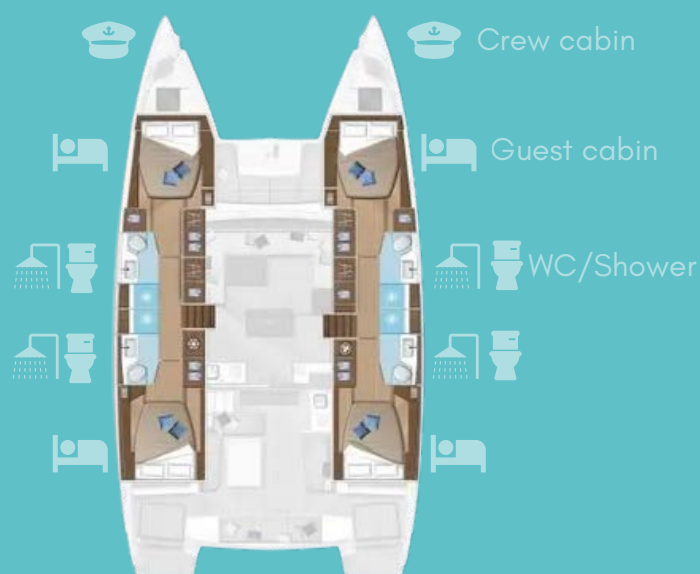

- 5 double cabins (up to 10 guests)
- 1-2 crew cabins
- 5-6 WC/Shower rooms

- Maximum of 12 people onboard (including skipper and optional hostess).
- 45ft+ catamarans usually have a flybridge or 'top deck', and also offer more space at the front of the yacht for seating, relaxing and sunbathing.

INTERIOR & LAYOUT

The multi-hull layout offers more separated, airy cabins and are divided between each hull of the yacht.

A TYPICAL CATAMARAN LAYOUT

- This layout is ideal for multiple families, couples or friends sharing.

CREW CABINS

Crew cabins are mainly used by the skipper and hostess. The cabins are compact and simple, usually accessed by a hatch/window on deck. Whilst some guests are happy to sleep in them, some prefer one of the interior guest cabins that are more spacious.
